... cont'd ...

Many now pay by BACS, if this is your preference please still apply on the application form and only when you get confirmation of your place on the workshop do you need to pay. I can provide details if this is your preferred choice.

If you do not have email, please enclose a stamped addressed envelope with the booking form so that the confirmation details can be posted to you.

There are limited places on all the workshops, and it will be on a first come first served basis. Please do not assume you have a place on these very desirable workshops until you have sent me the application form, and you have received confirmation.

If you change your mind about attending, please find a replacement as I cannot refund unless I have a waiting list. This is due to the fact we must pay the venue and the tutor.

The completed booking form and payment (and sae if applicable) should be returned as soon as possible to:
